Message

It will be enriching to know how the vision and mission of an institution or organization is attained within a specified period of time. Vincentian Service Society Centre for Rural Development is an NGO Registered by Marymatha Province of Vincentian Congregation. It brings out its annual report of the year 2018 - 2019. As a Service Society it is committed to work for the development of rural areas by implementing various projects and programmes for the attainment of its goals. On the one side its efforts are in the direction of community development which itself is a process by which the poor and marginalized in the society are uplifted from their downtrodden situation in life. The housing projects and support of education programmes radiates this zeal of the Society. Its interventions in emergency situations like flood to support victims with the necessities of life are commendable. Though not in a large scale, it could extend its support to needy ones from the resources it could find. On the other side, it activities are creative in conducting awareness programmes that strengthen the weak to initiate their own projects that would help building up of the society. The differently able children and the weak aged citizens are also focal points of attention in the action programmes of the Society. It is very comforting to see the weaker sections of the society is cared for in their needs. Each page of the report will reel before you what the Vincentian Service Society could do to the needy ones in their ordinary and emergency situations of life. The social responsibility of the Society is evident in its actions. Social action is the relevance of its existence. The public can take cognizance of the activities of the Society from the annual report published. I congratulate Fr. Francis Naduviledath the Director of Vincentian Service Society and Fr. Varghese Perincherry its Executive Director and their team for their concerted efforts in the realization of its goals. May God Almighty strengthen Vincentian Service Society and its cooperators to further their activities into the coming years and to reach out to the unreached with the spirit of Charity of Christ and the intercession of St. Vincent De Paul help them!

MESSAGE

"I am only one, but I am one. I cannot do everything, but I can do something. And I will not let what I cannot do interfere with what I can do" Edward Everett. Today people are very much aware about the financial inequality of the world. Every day we meet many people who are poor and needy. But many are not ready to solve this issue, thinking that he cannot do anything to solve this problem. Here come the beautiful words of Edward Everett, I am only one, but I am one. I cannot do everything, but I can do something.

Recent encyclical Letter Fratelli Tutti of Holy Father Pope Francis reminds us that, It is my desire that, in this our time, by acknowledging the dignity of each human person, we can contribute to the rebirth of a universal aspiration to fraternity, Fraternity between all men and women. "Here we have a splendid secret that shows us how to dream and to turn our life into a wonderful adventure. No one can face life in isolation. We need a community that supports and helps us, in which we can help one another to keep looking ahead. How important it is to dream together. By ourselves, we risk seeing mirages, things that are not there. Dreams, on the other hand, are built together".Let us dream, then, as a single human family, as fellow travellers sharing the same flesh, as children of the same earth which is our tipical home, each of us bringing the richness of his or her beliefs and convictions, each of us with his or her own voice, brothers and sisters all.

Vincentian Service Society is well aware that it cannot do everything but can do something or can contribute to the rebirth of a universal aspiration to fraternity. Now it brings out its annual report of the year 2018-19. From the report, it is very clear that VSS is trying to uplift the poor and needy through its areas of activities like education, housing, medical assistance etc. Its interventions in emergencies like flood, landslide etc. are praiseworthy. VSS performed well after the heavy flood in 2018 to rehabilitate the flood affected people and actively involved in other areas of its activities. I appreciate and congratulate all the team members of VSS, especially Fr. Varghese Perinchery VC who coordinates and directs all the activities of the society. I also gratefully remember all the benefactors and well-wishers who support us to implement these projects.

Fr. Francis Naduviledath VC
Director, VSS

Introductory Note

Vincentian Service Society Centre for Rural Development (VSSCRD) under the Charitable Society Act 12 of 1955, Registration number ER 213/78 is an NGO dedicated to the development of Marginalized, Vulnerable, Poor, Specially abled People and other different sections of community. We are working for our Society's growth with a positive motive and choosing the right path to succeed in life.

Following the World Health Organization's guidelines our programmes are focused on working in all the five domains of Community Based Rehabilitation: namely Health, Education, Social, Livelihood and Empowerment. Our organization's motive is to support the community in various segments like Disaster Management, Rural Development, Environmental Sectors, Social, Sustainable Development etc. During the last one year of its energetic occurrence in the society through its various vibrant programmes, it contributed much to the lives of poor and marginalized lives.

I take this opportunity to broaden my genuine appreciation to all the Governing Body Members, Unit Social Work Directors for your cooperation and coordination efforts to implement the social work activities of VSS.

It feels good to work with a team that is so self-reliant and motivated. Without the support that you all have provided, the organization might not have accomplished the milestones. Despite having a hectic schedule, every one of you just made this work look easy. Thank you all the staff for their tremendous dedication and efforts to complete this annual report and made it real.

Fr. Varghese Perinchery VC

Executive Secretary, VSS

About Us

Vincentian Service Society Centre for Rural Development is an NGO Registered by Marymatha Province of Vincentian Congregation under the Charitable Society Act 12 of 1953, Registration number ER 213/78. Our motto is "Reaching the Unreached''. We support the marginalized, the needy, the sick and poor people in the community without discrimination of caste and creed. Besides, VSS helps specially abled people to advance equivalent rights in the society and facilitate them to participate in the community by eradicating the obstacles for retrieving several privileges provided by the Government Departments and Civil Society Organizations. The last year of its energetic presence in the society through its strenuous programmes contributed to the many lives of poor and marginalized in the society.

Vision

Establishment of Just and Peaceful Society with Social Integration

Mission

To create an integral society through sustained effort by promoting wide range of economic growth for the unprivileged people, reducing inequalities, raising basic standards of living, fostering equitable social development and promoting sustainable management of natural resources.

Objectives

- To promote, foster and regulate the charitable, social, literary and educational activities.
- To help the poor, needy, sick and specially abled members of the community without distinction of caste and creed
- To promote healthy environment and healthy living
- To initiate, implement and promote public health activities that enhance quality of life and standard of living.

COMMUNITY DEVELOPMENT PROGRAMME

Change in the society can be possible only with the cooperation of the people. Community development is infact a process and a method to bring about proper development and upliftment of the poor and marginalized people in the society. Through various community development programme VSS focused on to bring the socio-economic changes at the social and psychological level.

Fr. Varkey Kattrath Memorial Housing Project (VKMHP)

"Fr. Varkey Kattarath Memorial Housing Project" was launched at Thottakom unit of VSS in Kottayam district, in connection with the 87th death anniversary of Rev. Fr. Varkey Kattarath, founder of Vincentian Congregation in Kerala. The aim of this project is to provide shelter for the flood victims

and improve their quality of life. Curia Bishop His Excellency Mar Sebastian Vaniyapurackal blessed the foundation stone of the first house of this project. Through this project VSS is assisting to construct 15 new houses to the victims of flood in Thottakam Village by the end of the year 2019.

De Paul Continuing Education Programme (DCEP)

"Education is the most powerful weapon which you can use to change the world." De Paul Continuing Education Programme (DCEP) is one of the projects of Vincentian Service Society to provide better education for the talented children who are economically backward. DCEP project, gave financial assistance for the children in various levels of education. The other training and career guidance programmes helped the students to improve their personalities and motivated to do their studies in a better way. Basically this project encouraged children to attain their ambitions from their existing circumstances. During the last year VSS has assisted16 students in different parts of India to foster their education and enable them to dream a better future and a dignified life.

De Paul Assistance Programme

The Vincentian Services Society provided various assistance programmes to the poor people in the community. Through the marriage we assisted many young girls to get married and fulfil their dream of a family life. Shelter is the basic necessity of every human being. To build a house is highly expensive and many unable to find their dream of having a house come true. VSS provided financial assistance to poor families to construct house of their own. Vincentian Service Society provided medical assistance to various diseases affected patients we could provide financial assistance to the patients who are poor and no aid to raise money for their treatment. Moreover VSS granted interest free educational loan for students in various location to continue their education. In order to promote one's own career and earn one's livelihood to reduce economic burden Vincentian Service Society financially assisted poor people to have their own livelihood activities.

Projects Related to Flood (2018 August)

"Support for the flood affected people in Thottakom area of Kottayam District" (SIDE BY SIDE INDIA, BELGIUM)

This project is supported by Side By Side India, Belgium. It focused in different villages of Kottayam District such as Vaikom Municipality, Kallara, Thalayazham, TV puram and Udayanapuram etc. Heavy rain and the subsequent flooding in Kottayam district had wreaked destruction in numerous parts of the above villages. The contaminated water caused pollution and diseases. In such situations, there

was no scope for maintaining privacy, dignity and personal hygiene particularly menstrual hygiene management. Through this project VSS provided support towards strengthening the lives of people and provided immediate rehabilitation to the affected communities.

Project Highlights

- In order to restore normalcy in the lives of worst flood affected families VSS provided essential Kitchen Utensils Kit to 300 families.
- Provided assistance to 51 families to construct proper latrines with minimum standard
- 14 families were assisted for maintenance and partial repair of their flood affected houses as an immediate response to create positive change.
- 39 families assisted to repair their affected toilets

Intervention Process by VSS towards Flood Affected People in Kerala

Vincentian Service Society (VSS) has rushed emergency relief to children and families affected by the floods and landslides in Kerala. Our support has helped to reach roughly 3,888 families so far in different locations of various districts.

- ✓ Emergency relief assistance were coordinated and distributed in different panchayaths/ muncipalities of Angamaly and Ernakulum. Our target sectors included food kits, cleaning materials, drinking water, sanitation, hygiene, house hold materials, psychological support and financial assistance, etc.
- ✓ Coordinated various works and supported in the flood relief camps in different locations of Ernakulam and Thrissur districts such as Relief Camps at Morning Star College, De Paul School and College, Parakadavu Panchayath, Divine Campus, Santhipuram Church, Njalookara, Champannoor, etc.
- ✓ Conducted house visits especially of specially abled children. Furthermore we have supported the cleaning of various houses of specially abled people who were badly affected by the flood.

In collaboration with VSS youth we extended our helping hand to Divine Care Centre for mentally ill persons, Santhipuram. A proper cleaning of centre and its premises brought back its order and beauty.

Flood Relief Drive at Thottakam

Floods are the major disaster affecting many countries in the world year after year. Flood was one of the most common and destructive weather related phenomena. The recurrence of floods is the burning problem of Kerala which had hit 4 districts of the state due to heavy rainfall. The 4 flood affected districts were Kozhikode, Kottayam, Alappuzha and Wayanad. Vincentian Service Society in collaboration with Thottakom Parish organized flood relief drive at Thottakam Village under Kottayam District. The drive was inaugurated by Rev. Fr. Francis Naduviledathu VC, Director of VSS, Angamaly. The purpose of the campaign was to relief the affected in flood in Thottakam Parish. In this regard Vincentian Service Society distributed 150 food bags and clothing among the flood affected people of Thottakam Parish. Fr. Varghese Perinchery VC, Executive Secretary of VSS, Fr. Franco Choondal VC, Parish Priest, Thottakam participated in the flood relief activities

GERIATRIC CARE

VSS has extraordinary provision to provide care to old age people. The recent trend shows that new generations are unwilling to take care of their older parents. They dump their parents into the old age homes without being kind to them. To provide better assistance to the abandoned old aged

people, VSS has formed a special group for the senior citizens and named it as De Paul Fellowship of Senior Citizens at Angamaly (DEFOSCAA). It is a group of 150 elderly people ages between 50 to 90. There are consistent meetings conducted for the members. All members of the club gathered every second saturday of the month. Furthermore VSS offered various programme for their rehabilitation.

Awareness Training on "Plastic Pollution"

Vincentian Service Society organized an empowering session on "Plastic Pollution" for the DEFOSCAA members. The training programme was done by Mr. Libin Arresseril, Programme officer. The core objectives for the training were to make them understand their role in reducing plastic pollution and increasing recycling rates for a healthier environment, to enable them to understand the different types of plastics, and which can and cannot be recycled. 116 members from different parishes gathered for the training.

Elderly Day Celebration - 2018

Vincentian Service Society observed International Elderly Day for the DEFOSCAA members at De Paul Auditorium. This day was observed to spotlight on the significance of Senior Citizens who at times are abandoned in our society. This day emphasized on our responsibility towards our elders in order to make their lives happier. It was also a day to appreciate the contributions that older people made to the society. Fr. Francis Kochuparambil VC, Superior of Angamaly Ashram was the Chief Guest of the programme. The meeting honoured Smt. Mariyamma Devassy, the senior most member of DEFOSCAA Club. There was also an empowering session on Motivation for Elderly People. The session was led by Mrs. Pooja Thomas, Psychologist. There were 108 Members who actively participated in the Elderly Day Celebration. Delicious lunch was arranged for all the members at De Paul Auditorium.

Namuku Bathelehemileku Pokaam 2018

Vincentian Service Society organized a Christmas Programme for the De Paul Fellowship of Senior Citizens at Angamaly (DEFOSCAA) members along with its Youth Club at De Paul College Auditorium. The name of the programme was "Namuku Bathelehemileku Pokam". There were carol songs competitions arranged for the DEFOSCAA members. 5 teams from different parishes participated for the competition. The programme was inaugurated by Fr. Raju Punnackal, Director of Subodhana. Soon after the inauguration Santa Claus reached the Auditorium with a Carol song. Santa greeted them and gave his blessings to all the club members. There was a Christmas cake cutting by all the dignitaries on the stage. Rev. Fr. Francis Naduviledath VC, Director of VSS felicitated the meeting and distributed Christmas gifts to all the members.

Awareness Creation Programme on Old Age Problems

Old age is viewed as an unavoidable, undesirable and a problem ridden phase of life. Problems of aging usually appear after the age of 65. Inorder to strengthen the health status of DEFOSCAA members, VSS organized awareness training programme. The objective of the training programme was to understand the health and social problems of the elderly and their attitude towards life. There was a documentary presentation relating to old age problems in the social scenario and energizing games were arranged for the members. This programme was coordinated by Mr. Jisto Johnson and team and all members actively participated in it. There was also time for sharing experiences of the group members. Around 92 members from different parishes gathered for the meeting.

COMMUNITY BASED REHABILIATION FOR DIFFERENTLY ABLED

CBR (Community-Based Rehabilitation) is an approach that helped to address the dreadful forms of discrimination existing in the community. The strategy focused on enhancing the quality of life for CWDs and their families, to meet their basic needs and ensuring inclusion and participation in their own development and also participating in the community development. Vincentian Service Society under

the CHAI-LF Project tried to bring forth differently abled children into the mainstream of the society. During the past year, VSS has provided assistance to 44 differently abled children. The supports were in the form of health assistance, educational assistance, social and livelihood assistance. The beneficiaries were located in different locations of Ernakulum and Alappuzha districts of Kerala. We had provided assistance to 27 Children in Ernakulum districts 17 children in Alappuzha district as well.

Advocacy and Lobbying Training

Vincentian Service Society under the CHAI-LF Project organized Advocacy and Lobbying Training at VSS Seminar Hall, Angamaly. The core objective of the training was to support and enable people with disabilities to express their views and concerns, access information and services and defend and promote their rights and responsibilities. Adv. Jacintha V Devassy, Criminal Advocate, District Court, Ernakulam was the resource person of this programme who led the classes for the parents of differently abled children under the CHAI-LF project. 35 parents from different locations participated in the training programme.

Awareness Programme on Nipah Virus

Nipah Virus was a newly emerging zoonosis (a disease which can be transmitted to humans from animals) that caused severe physical disorder in both animals and humans. Vincentian Service Society organized an awareness programme on Nipah Virus for the parents of CHAI-LF Project at VSS Seminar Hall. Mr. Jisto Johnson, Micro-Biologist led the class. He explained about the latest facts on Nipha Virus including its symptoms and checks. The aim of this awareness programme was to reach out to the public and motivate them to take action. There were 15 Parents and 40 youth from My Quest Project who actively participated in the programme

Capacity Building Training at Medchal, Secunderabad

CHAI provided very vibrant training every year in order to strengthen its partner's knowledge and activities. Vincentian Service Society's staff and Executive Secretary had participated in the Capacity building training organized by CHAI (Catholic Health Association of India) at CHAI Train-

ing Centre, Medchal. The topics for the training programmes were Inclusive Education, Role of Lobby and Advocacy. The main objective of the training programme was to strengthen the knowledge of the partner organization and help them to implement the CBR activities in a creative way. The Training programme was inaugurated by Rev. Dr. Mathew, Director, CHAI . It was a 4 days residential programme. There were 80 People from 40 NGOs who actively participated in the training programme.These training helped the partner organization to take concrete steps to incorporate community stakeholders into the planning of CBR Project.

Participated in India International Science Festival (IISF-2018)

IISF 2018 was organized by Ministry of Science and Technology, Ministry of Earth Sciences in association with Vijnana Bharati in Lucknow. Union Minister of Science &Technology, Dr. Harsh Vardhan inaugurated the event. The focal theme of this programme was "Science for Transformation". Fr. Varghese Perinchery VC, Executive Secretary of Vincentian Service Society got a privilege to participate for this festival (IISF-2018). There were also a number of technical sessions on Women Empowerment, Child Development, Entrepreneurship Development and Integrated Sustainable Development etc. Indeed, the event was a great success with the participation of more than 3000 young scientists from across the country.

CHAI-LF PO Network-Regional Consultation Meeting

VSS participated in the PO Network-Regional Consultation Meeting at Kottayam Social Service Society organized by CHAI-LF. The meeting was inaugurated by Rev. Dr. Mathew Abraham CSsR, MD, Director General, CHAI.The main Objectives of this Consultation Meeting was to discuss CHAI-LF Partnership Model and to confer the need and current practices of Resource Mobilization. Furthermore, numbers of empowering sessions were arranged for the participants like CHAI-LF Partnership Model, Resource Mapping and Current Practices in Resource Mobilization. Vincentian Service Society's Executive Secretary Fr. Varghese Perinchery participated for this one day Regional Consultation Meeting along with other 20 partners from various part of Kerala. Thus, the meeting was very booming one. It enlightened the minds of participants to spotlight on additional activities in relation to Resource Mapping and Mobilization for the successful implementation of programmes in the community level.

We Ring the Bell Campaign-2019

Vincentian Service Society under the CHAI-LF Project organized We Ring the Bell Campaign at St. Joseph High School, Angamaly. Ring the Bell is such a campaign to raise voice together with the society to bring attention of everyone to the problems of differently abled children and the barriers in educating them. The main message of the campaign was focusing on four A's such as Accessibility, Acceptance, Availability and Adaptation as preconditions for every child to go to school.

Ms. Sona Liza Foundress of UDAAT Foundationin her key note address highlighted the importance of Inclusive education and four A's such as Accessibility, Acceptance, Availability and Adaptation. Furthermore, Manifesto was signes by Mr. Saji Varghese, Vice Chairman of Angamaly. Fr.Varghese Perinchery VC, Executive Secretary, Mr. Gordi Paul, P.T.A President, Ms. Jini, BRC Teacher, parents, teachers of St. Joseph High School and VSS staffs were present in the programme. Moreover there was a small rally started from the school premises, which demonstrated the active presence of 150 children along with their teachers.

Empowerment Training on Stress Management

Vincentian Service Society organized an empowerment training programme on Stress Management for the parents of differently abled children at VSS Seminar Hall. The aim of the training programme was to help the parents to improve their ability to prevent and manage stressful situations. Mr. Libin, Programme officer of VSS handled the session. He emphasized on the common signs and symptoms of stress. Meanwhile he dealt with what are the coping strategies to manage stress. There were 17 parents who actively participated inthe training programme.

Talent Fest - 2019

"Empowering Persons with Disabilities and Ensuring Inclusiveness and Equality."

Vincentian Service Society (VSS) with the support of Catholic Health Association of India (CHAI) organized Talent Fest at De Paul College Auditorium. The purpose of the celebration was to assist them to figure out the unique abilities of differently abled children. The main objectives of the programmes were to give them a platform to show their talents, to meet each other and share the feelings of all beneficiaries and to provide an opportunity for others to understand the people with disability.The programme was inaugurated by Mr. Simon George, Prathyasha Foundation, Chairman and Promoter of accessible Tourism.

There were various Cultural Programmes by the specially abled. It was a colourful event with the participation of 8 special schools. The specially abled children showed their talents by performing on the stage with great enthusiasm and vigor. VSS honoured each differently abled child who had participated in the program and prizes were distributed to the differently abled children who have performed their talents before the spectators. The entire programme ended with delicious lunch. There were around 200 people, who participated in this celebration.

Enabling Environment on Education

"Inclusive education is one dimension of a rights-based quality education which emphasizes equity in access and participation, and responds positively to the individual learning needs and competencies of all children''.Vincentian Service Society under CHAI-LF Project organized an empowerment training programme on Inclusive education at VSS Seminar Hall. Sr. Jophy CMC, Lecturer of Snehasadhan Special Education College handled the session on Better education through awareness to the parents. The main objectives of this training was to provide knowledge on importance of special school education and help the parents to understand and fulfil the desire of the children.

An Awareness Programme on Health

Vincentian Service Society under the CHAI-LF project organized an awareness programme on health for the beneficiaries and their parents at VSS Seminar hall. Sr. Dr. Christina began her class. The main emphasize was given on child management and behaviour control. She also dealt more on disability management and understanding the emotional and physical needs of the child and various ways to understand it.

Raising the Voice of the Children with Disabilities through 'Grassroots Comics'.

The Grassroots Comics is a social venture aimed at empowering the public by providing them a medium of social awareness, which is both simple to create and understand. It is an occasion to help children and adolescents with disabilities to give vent to their creative thought and facilitate them to reveal their capabilities through stories for their own community. Vincentian Service Society Centre for Rural Development organized an awareness campaign on grassroots comics with the support of Catholic Health Association of India (CHAI).

The objectives of the programme were to provide a medium of communication for the specially abled and to facilitate an opportunity for the specially abled person to react to the present social issues. The life experiences and complications of such children were reflected in this programme.There were 30 speciallyabled children and their parents who participated in the campaign.

Candle Making Training

The Vincentian Service Society organized a training programme for DPG Members on candle making. Mrs. Harsla began her training with an introduction about candle making and its scope. She taught them about how to make good and quality candles with different shapes. The main objective of this training was to enable the group members to secure self-reliance.

Training on Processing Jackfruit

Vincentian Service Society under CHAI-LF Project organized a livelihood training programme on Processing Jackfruit at VSS Seminar Hall Sr. Lislet CSN was the master trainer for this programme. She began her training with a brief introduction on Jackfruit products and its significance in our life. She also encouraged them to clarify their doubts. The feedback was strong and positive. Few participants wanted to take up processing it for securing livelihood. She taught them to make 7 different products out of jackfruit. She divided the team into small groups and gave them different tasks to complete. There was active and enthusiastic participation by the trainees.

Skill Development Training

Vincentian Service Society in collaboration with Catholic Health Association of India (CHAI) are jointly organized a skill development training programme for the parents of specially abled children in St. Alphonsa Vocational Training Center, North Kindangoor. The aim of the program was to ensure the rights of children and to develop their rights, to ensure equal rights and full participation in accordance with different given opportunities for their dignity and equality. During the training Adv. Jacintha V. Devacy presented a series of sessions about the various schemes and rights of specially abled. There were 30 parents and 45 specially abled children who made their full participation.

Enhancing Employability through Vocational and Skill Training for Youth

Vincentian Service Society in collaboration with QUEST, Bangalore initiated a project for the

youth in Angamaly area.The main aim of the project was to empower the youth through vocational and skill training to enhance their livelihood opportunities. This project provided 60 identified youth in Angamaly area and equipped them for self and commercial employment.

Training Programme on Tally for Economically Backward Students

Vincentian Service Society initiated certificate programme for economically backward graduate students who are pursuing their B. Com in De Paul College, Angamaly. This programme provided 3 months' course on Tally with minimum fee. This course is designed to impart knowledge regarding concepts of Financial Accounting which is used for learning to maintain accounts. It was useful for economically backward commerce students to get placements in different offices as well as companies in accounts departments. Through this programme 30 economically backward graduate students could successfully completed the course and issued certificates as well.

JAGRATHA MISSION - THOTTAKOM

Homeo Medical Camp

Jagratha Mission organized a Homeo Medical Camp mainly for children and parents. Meanwhile a class on mental health of children and their various were conducted at beginning of the camp. They pointed out that even children fall into drug abuse at the early age. Prevention of these menus is not the responsibility of teachers alone, but parents and society at large must be aware of how to play a crucial role in the prevention. 60 patients (children) and their parents participated in the camp. Awareness creation of parents was the most significant of the program.

Essay Writing & Painting Competition

Jagratha Mission conducted several programs in order to bring the young generation close to nature and make them protect the environment. Essay writing and painting were very interesting programmes for the children. Children at the age group between 5 to 18 participated in the competition. The theme of the competition was Global Warming and Healthcare.

Women's Welfare Program

We conducted a workshop for women to find some avenues for self-employment. 18 young women participated in the program. Various programs like Ornament making, Food packing, Soap making, Soft drink making etc. were discussed. Few beneficiaries were also sent to the seminar conducted by Thalayazham Grama Panchayat. They attended two days seminar and came out with new ideas.

Free Dental Medical Camp

Jagartha Mission conducted Free Dental Medical Camp in collaboration with Dental Medical College Kottayam. A mobile theatre was the center of attraction. Extraction of teeth, cleaning, filling were important treatment given to the patients. Serious cases were referred to the medical college. About 80 patients participated in the camp.

Environment Day & Quiz Program

Jagratha Mission collected 100 plants and distributed it among the people. Besides that Jagratha circle members and environmentalist in the locality planted some plants in the compound. In the afternoon there was a quiz competition, which was conducted for youngsters. 17 teams participated in the program. Winners were awarded prizes, certificates and seedlings. On that occasion Fr. Thomas Njarackel VC explained the need for protecting nature.

Pappaya Cultivation

Jagratha Mission cultivated about 25 pappaya plants in the office compound which has already started producing Pappaya. We are thinking of propagating it and making some value added products from papaya like Jam, wine etc. with the help of women.

Rising star

The varieties of talents among the children in this area such as music, others in dance, sports, and other competitions were the given special importance by Jagratha Mission. It decided to gather all the prize winners in this area and form them as a group by name Rising stars. Rising star group was inaugurated by Sri. Rajan Mathai, Clinical Psychologist, Kusumagiry hospital Kakkanad. He offered medals to 48 young talented boys and girls. We are planning to support them to go to further heights. They do have their potentials to the future.

Medicare

We have a free medical assistance for the financially backward people. This is supported by an industrialist – Mr Xavier Thekkanath from Dubai. Every day three or four patients are receiving this support. Besides that we conducted Homeopathic and Allopath medical camps and provided necessary medicines to the patients in flood relief camps.

Reading Competition

Jagratha Mission conducted a Malayalam reading competition for 'Rising Star' Students from 4th to12th class. Correct pronunciation, clarity of words, tone of reading etc., were assessed by competent persons. Winners were given cash awards, book kit and certificates of merit. 35 students participated in the competition.

BHIMADOLE DEVELOPMENT SOCIETY (BDS)

Education Support Programme

Education plays a key role in the development of any society. More often, it is the lack of education of the parents that negatively affects the education of their children. In order to promote the importance of education with the support of Side By Side India, Belgium. BDS has been supporting and monitoring the studies of a few selected poor students in our villages. 45 students are included in our educational support programme. We have 25 school going students and 20 students who are pursuing their higher education. Among those pursuing their higher studies, some are doing professional courses like BSc Nursing and Master of Business Administration (MBA). There is also a student who is doing her Post Graduation Course.

Toilet Construction Support Programme

Hygienic surrounding and healthy practices are very important factors in the development of a society. As part of this toilet construction support programme we provided the families with materials necessary for the construction of the toilets. Mainly we provided them with cement, commode, door, roofing materials and rings for the purpose of tank. This year BDS could support construction of 40 toilets. BDS in collaboration with Side By Side India, Belgium we have completed 272 toilets all together in past 5 years period.

Physical Health Check-up Camps

BDS organized physical checkup camps for the poor villagers for whom proper medical facilities are not accessible. The objective of conducting the health camp was to create awareness of general health among the village people, provide general health care services and basic health care and hygiene. Majority of the people who attended the camp

were suffering from polluted water and lack of drainage facility. The health camp was a huge success with overwhelming response from the local people.

Medical Check-up Camp

Under the multi village development project BDS conducted 18 medical checkup camps. In this 12 were general check-up camps and 6 were special check-up camps. Eye check-up camps, pediatric and diabetic camps were organized as special ones. The medical check-up camps were conducted with the collaboration of Good Samaritan Hospital, Vangayagudem, Eluru and Our Lady Health Hospital, Bhimadole. In all the medical camps medicines are given freely according to the prescription of the doctor. We distributed spectacles freely to the villagers after every eye camp.

Income Generation Activity & Skill Development Programme

Unemployment is the greatest challenge India faces at the moment. Getting trained in some skills and eventually finding income by self is a way of attaining progress and development in life. In order to train the youth of the village in varies of skills, BDS organized a skill training programme on repairing TV and radio. This training programme was inaugurated by Mr. Prakash, the President of Side By Side India, Belgium. Fourteen youth of Burayagudem village were being trained in this TV and radio repair skills.

Driving License Programme

Driving is an employment for many. Keeping this in mind we thought of helping out some of the youth of our villages to acquire valid driving license will help them easy their livelihood by way of driving. For this purpose, we arranged a driving license camp with the collaboration of Government Transport Department, namely RTO (Regional Transport Office). Apart from conducting the driving

license camp, we have supported some poor selected youth and assisted financially in acquiring the license.

Awareness Generation Programme

Making people aware about certain matters and issues is an ongoing process undertaken in any developing society. As part of multi village development project, it was important to make people more aware about the protection of nature, more specially protection of trees. This awareness campaign was named as "A Tree for a Healthy Village". As part of this awareness campaign we have planted a few trees in all the four villages and made sure their protection by placing tree guards around it.

An Awareness Programme on Road Safety

An Awareness Programme on Road Safety was organized for our 4 project villages with the collaboration of Government Transport Department, namely RTO (Regional Transport Office). The purpose of the programme was to make the people aware about the importance of following traffic rules while driving and to have cautious driving on the road. Furthermore, they were also motivated to start processing of their driving license.

Mental Health and Women Empowerment Programme

A healthy mind is very much important for a healthy living. Getting skilled in some stress management mechanism and getting some assistance in facing certain issues in life will ultimately lead to a happy and sound living. Mental Health Programme was conducted for the women of our villages at De Paul College, Pinakadimi. The theme of the seminar was

Women Empowerment Programme for a Better Mental Health and Sr. Mariatta Demello, HoD of Psychology department from St. Ann's College Eluru was the resource person for the seminar. She dealt on how girls should be brought up with dignity and without discrimination which in turn would help the girl children to have a proper mental health from their childhood onwards. She also spoke about the ways to come out of menstrual syndrome and depression related to it.

Drinking Water Facility

Burayagudem and Tallagudem villages faced lack of drinking water facilities. The water available in these villages was of high density and very hard because of the high calcium content. In this context a safe drinking water facility is initiated with the support of Side By Side India, Belgium in these villages. The construction of the facility for the water plant is almost over for the future. We are planning to installation of a reverse osmosis water plant in both these villages.

Electronic Voltage Stabilizer Manufacturing Units

BDS is running two stabilizer manufacturing units at Bhimadole with an aim of providing job opportunities to poor rural women. Presently 50 women are working in our stabilizer manufacturing units. They are trained in the manufacturing of the stabilizers. By way of working in our units, they are able to earn a decent income and more than that they are able to support their family. In some cases, women working in our stabilizer units are the sole bread winners for their families.

An awareness Programme through Street Play

In order to make people more aware about the need of keeping the surroundings clean and hygienic we conducted an awareness programme through street play. It was performed in Burayagudem, Kothamupparu and Tallagudem. Some youth of Burayagudem volunteered in performing this street play. The street play was directed in such a way that it brought out the importance of keeping the surroundings clean and doing away with superstitious practices and beliefs in this modern era.

DE PAUL EXTENSION SERVICE (DES)

DISA

DES together with Malayala Manorama and De Paul School of Social Work organized a three days residential career guidance programme for the students of class 10, 11 and 12. Eminent motivational and career guidance personel were the speakers for the different sessions on motivation, career orientation, goal setting, leadership skills etc. During these three days.There were a total of 190 students for the programme.

World Environmental Day Celebration

World Environment Day (WED) is a yearly event held on every 5th of June to raise global awareness of the need to take positive environmental action. The theme was "Beating plastic pollution". This theme encouraged people to take charge of their surroundings and realize the severity of using plastic in daily life. DES in collaboration with the Natural Club of DiST observed the Environmental Day at DiST Annex hall. Fr. George Pottayil VC, Director, DiST and Dr. Unny C. J, Principal, DiST presided over the programme. An interaction session was arranged for the students on the theme "Beating plastic pollution". This empowering session was done by Dr. Martin G.D, Environmental Scientist. Mr. Dinto Mon P.D, Coordinator, DES spelt out the pledge for the students. Further more students were given out saplings provided by Social Forestry department of Kalady division.

Vegetable Gardening

Growing your own vegetables is both fun and rewarding. Vegetable gardening is becoming more popular with each passing year. It is bountiful, healthy, and ecologically friendly. DES in collaboration with MSW Department of De Paul Institute of Science & Technology started the initial phase of vegetable gardening. The agriculture officer of Angamaly Municipality Mr. P. P Joy provided the vegetable seedlings which were planted in grow bags. They planted different varieties of vegetable seedlings such as Brinjal, ladiesfinger, tomato and different varieties of chillies included in the garden. All plants are being taken care well.

International Yoga Day Celebrations

International yoga day was observed to make people to receive every kind of knowledge and information about the facts and effects of Yoga on the health of the people. Yoga helped people much to be calm and at peace and instil confidence and courage by which they can do many activities in a better way. DES in collaboration with NSS celebrated the international yoga day 2018. Fr. George Pottayil VC (Director, DiST), Mr. Shivan (A renowned Yoga Acharyan), Mr. Shameer MA , Programme Coordinator, NSS, Mr. Dinto, Project Officer, DES were present for the function. A theoretical and practical session on the importance of Yoga was conducted by Mr. Shivan which included a presentation on different'Asanas'. There were 42 student volunteers from NSS as participants for the programme.

Anti-Narcotic Club Inauguration

The Anti-Narcotic Cell aims at working against the use of alcohol, tobacco and drugs etc. The club envisages every student of the college to be goal oriented and innovative in protecting oneself and others against drugs and alcohol. The activities of the club include sensitization programmes through awareness classes, workshops, seminars, campaigns, poster exhibitions etc. DES in collaboration with the Excise Department of Kerala inaugurated the anti-narcotic club at DiST annex auditorium. Fr. George Pottayil VC, Manager, DiST inaugurated the club and Mr. M. Karthikaeyan, Preventive Officer, (Excise Range Angamaly) spoke about different types of addiction and the ways to get out of them. Mr. Vinod Naranat, Ventriloquists performed a Kitty Show at the end of the programme.

Flood Relief Activity by DES

Considering the social commitment of De Paul Institute of Science and Technology the students of DiST organized a flood relief campaign with the guidance of De Paul Extension Services (DES) at Kainakary. The students own contribution helped the victims in Kuttanad. Them oney was used to purchase food products for flood affected people. There were 7 students and 8 faculty

representatives joined the campaign. The team also met Fr. Prasun, the vicar of Lourde Matha Church, Kainakary and handed over the food items which amounted 1800kg. Further more the team met the local key persons in order to understand the situation.

Lifestyle Diseases Camp

Lifestyle diseases are often associated with a person's actions. In order to avoid and prevent Lifestyle diseases, a medical camp and workshop were organized by DES in collaboration with Maria Hospital Angamaly for the staff of DiST, Angamaly. It was an occasion for the staffs to examine the Thyroid and glucose level sin their body. Meanwhile a workshop was organized at DiST seminar hall on the topic 'Lifestyle Diseases, Diet and Exercise'. The workshop was led by Dr. Dorphy P.D, Specialist in lifestyle diseases.

Dental Camp

DES organized a dental camp in collaboration with the Amala fellowship Panthakalunit and Mar. Gregorious Dental College, Kothamanagalam at DiST campus. Dr. Unny C.J., Principal, DiST, inaugurated the session and Dr. Kiran, Dr, Abraham, Fr. George Pottayil VC, Director, DiST, Mr. Dinto Mon P.D, Coordinator, DES and 22 doctors from dental college were present during the camp. There were 180 people benefited out of the camp. There were free dental check-up, capping, cleaning, filling and advice on different types of treatment. Altogether 186 people benefited out of it.

Nature Camp

A nature camp was organized by DES in Collaboration with department of social forestry, Ernakulam, Kerala and nature club of DiST, Angamaly. There was an orientation session given by Mr. Appachan, the retd. Range officer, Athirappilly. Later on the students were taken in to the forest for trekking and they had the chanceto visit a tribal community of Vazhachal forest range. There were 60 members who were present for the nature camp.

DIVINE CHARITABLE TRUST, MURINGOOR

Divine Care Centre for Men and Woman

Eye Camp

A free Eye camp was conducted at Divine Care Centre by the Ophthalmology department of Little Flower Hospital Angamaly. Every inmate of the rehab was examined by the doctors and optometrists. The inmates who had eye problems were suggested to undergo surgery and other having minor issues were given medicines.

Dental Camp

Dental camp was conducted in collaboration with Indian Dental Association (IDA) for the inmates of divine care centre. Dental doctors from Trissur zone came and examined the inmates and gave medicines to those who were found with dental issues. The camp was completely free of cost.

ENT Camp

A free ENT camp was conducted in association with the department ENT of Little Flower Hospital Angamaly. The camp was well organised and conducted. Ear wax removal was done for the inmates during the camp.

Cataract Surgery

Divine Care Centre in partnership with Little Flower Hospital carried out free of charge Cataract Surgery for its inmates. It was initiated and conducted by the department of Ophthalmology of little flower hospital Angamaly. The surgeries were completely successful.

Nursing Students Visit

Every year nursing students from various nursing institutions visit Divine Care Centre. This year students from various nursing institutions visited Divine care centre. The visits made by the students could create beautiful memories in the inmates of the rehab. This created an opportunity for them to speak to the students and watching their performances which make the inmates happier and healthier. It gave an opportunity for the students to learn about the psychosocial rehabilitation centres in an easy manner.

Building of New Road

A new road was built for the rehabilitation centre in this year. This concept was made into reality in order to survive during natural calamities like flood.

19th Annual Meeting of Divine Care Centre

The 19th annual meeting of Divine care centre was conducted. The Director Fr. Janson Kootumkal VC delivered the presidential address. Around 160 family members attended the meeting. The director explained about the various amendments made in the mental health act. The family members raised certain doubts and the Director cleared all of them with enough examples.

Celebrations

The institution celebrated all the important festivals, feasts and days in a beautiful manner.

- **Onam Celebration**

Onam was celebrated in the rehab by providing Sadhya to the inmates. The staff members conducted various activities and games for the inmate's. Onam celebration became a grant success and memorable day.

- **Rosary Month**

The month of October became a beautiful experience as the month is especially dedicated to the rosary of mother Mary. On the last day of the rosary, Priests and Seminarians from Vincentian congregation visited the rehab and conducted rosary and prayers.

- **Christmas Celebration**

Christmas was celebrated in a memorable manner. Staff members and inmates put their efforts together and made Christmas the most interesting one.

Divine De-addiction Treatment and Rehabilitation Centre

Awareness Programmes

Divine De-addiction treatment and rehabilitation centre conducted various awareness programmes to the society with an intention of spreading awareness among people on the impacts of addiction and helping them to get rid of the problem. Awareness classes are conducted in educational institutions in different places.

Meeting with Alcoholic Anonymous Group

The centre conducted meetings of the people who have completely stopped drinking. The main intention of the meeting was to give them a chance to share their life experience after getting rid of

alcoholism. This helped to spread motivation among the group so that they can lead a life without alcohol.

Anti-Narcotics Day Program 2019

The international day against drug abuse and illicit trafficking as initiated by the United Nations, was also observed here on June 26th. Every year Divine De - addiction Centre conducted various awareness classes and programs for the alcoholics and drug addicts in conjunction with the anti-narcotics day. The classes were handled by Mr. Jojen Choorackal, Project Coordinator Divine De-addiction Centre and Mrs. Bindu, Counsellor Divine De-addiction centre.

De Paul home for boys

Balasabha

Once a month a group activity called Bhalasabha is conducted in De Paul home. This particular activity focused on helping the children to grow their skills such as conducting an activity, taking leadership, speaking in front of the crowd without fear and presenting their skills in front of others. The activity has a president, vice president and coordinator.

Arts and Sports day for the Children

Arts and sports are inevitable part of the integral development of children. Every child will have different skills and talents. Participating in arts and sports helped the child to bring out their talents and improve in it. Two days in every year is kept aside for arts and sports day. All the children participated in various sport and art events. Prizes also were awarded to the children.

Divine Villa for Girls

Balasabha

Balasabha is a program conducted once in a month in the villa. The main objective of the program is to help the children to identify and develop their skills and abilities. The program was completely coordinated and conducted by the children. It had president, vice president and coordinator. A report was made after every meeting. Children also got opportunity to present their skills and talents such as speech and singing.

Celebrations

The villa celebrated with due solemnity all important days such as Onam, Christmas, Independence Day, Environment day etc. Celebrations created a family atmosphere among them. It helped in strengthening the interpersonal relationships.

Alphonsa Home for Elderly Men

Occupation Therapy

Occupation therapy is a kind of therapy that is holistic in nature and helped the inmates to develop their skills and abilities. As a part of the occupation therapy the inmates got involved into various programs such as gardening, cleaning duty, kitchen and some leadership duties etc. This helped to increase their self-esteem and self-confidence.

Recreational Activities and Physical Exercise

The home provided facilities for recreational activities and physical exercises. Every day the inmates performed some kinds of recreational activities such as games, watching television, listening to radio etc. A fixed time had been kept for doing physical exercise and this helped them to keep their physical fitness in a healthy condition.

Maria Santhibhavan –Home for the Elderly Women

Occupation Therapy

Occupation therapy is an important activity that is performed on a daily basis in the home. It helped the inmates to maintain their mind and physique fit. As a part of the therapy the inmates exercised every day and also performed some small responsibilities such as gardening, serving in the kitchen and etc.

Celebrations

Maria Santhibhavan celebrated all important feast days. A grant 'Sadya' was served for the inmates on the day of Onam. Likewise Easter and Christmas were celebrated, that helped the inmates to refresh themselves.
